OTT TRACKS

An over-the-tyre add-on that increases skid steer loader traction, flotation and tyre life. Installed in only 20 minutes, it'll enhance the productivity of your skid steer loader on asphalt, concrete & turf surfaces without causing damage or marks.

They're superb. Great for top soil; I use them all year round. I should get a third year out of this set and I would have gone through 3 sets of tyres without them.

C Kilmartin, Auckland

Tracks are awesome....don't know why you didn't sell me some sooner!very happy

Brian M, Auckland

EXCAVATOR TRACKS

Endraulic supply most sizes of high quality rubber tracks from Tonly. Tonly have been manufacturing high quality rubber products since 1958 and their tracks are distributed by the largest aftermarket parts supplier in the USA and Europe.

We stock an extensive range of Camsco, Grouser and Tonly OTT and Excavator Tracks

DUAL DOZER

Laser Controlled

Full Machine Control. Accurate to within 5mm. Complete jobs up to 10x faster!

Wheels mounted behind the blade Operates right up to pad edges and into corners

Dual Blades Allows operation in forwards and reverse

Changeable Rollback Stop Easily fitted to any make or model of skid steer loader

Tractor Mount Option Operates on tractors too!

**Contact our Parts Department
for all the details...**

*I'm really pleased with that blade. It's awesome
how fast we can do a factory floor and we get it
within 3mm. It's a great tool.*

T King, Auckland
